

Curved end panel
673mm wide

Front panel
1000mm wide

Front panel
1000mm wide

Curved end panel
673mm wide

NB to the left of this
line graphic will start
to disappear around
the back of the stand.
Therefore we
suggest this is
image/colour only -
no text

PLEASE AVOID
Letters being broken by join,
try to arrange text so join
passes between letters as
shown

ABC ← *Wrong*
ABC ← *Right*

This guide is for a Mark Bric
MP2 value system
Overall graphic size:
3346x2145mm at finished size
This template @ 25% =
836.5x536.25mm
Graphics should be in either RGB
or CMYK format (not mixed)
and at a resolution of 400-480dpi
for best results

NB to the right of
this line graphic will
start to disappear
around the back of
the stand. Therefore
we suggest this is
image/colour only -
no text
